

St Anne's Degree College

Career Guidance and Placement cell

Date: 6-11-2020

Day: Friday

Teach to Fish, an NGO from Bangalore, headed by Brigadier Devaiah, Mr. Chengappa, Mr. Madhu Bopanna and the other trustees had a series of talks with the Placement department of St. Anne's Degree College and have initiated a Training program for the 2017-2020 batch students. The training was conducted by NUDGE Foundation, an NGO of TATA Group where the course includes a wide stream of skills required by Fresh graduates in the working environment like Interpersonal skills, Personal skills, Communication skills, Personality development, writing skills, e-mail writing skills, interview skills, Team building and many other skills essential for the growth and stability of individuals and career building.

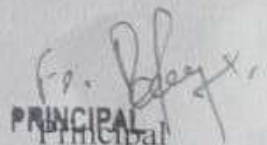

Thirteen students from the passed out(2017-2020) batch have shown their interest and have associated themselves with the training where the duration of the program shall be 80 days with teaching mostly on Zoom or other online methods citing the pandemic situation and safety for the students.

As the training program would reach the completion the students who are part of this training program shall be provided opportunities to attend interviews for various positions to finally have a career start.

If the students who are part of the training program have any network issues to attend the training, they are provided options of coming to the college and attending the training by maintaining social distancing and wearing masks, as permitted by Fr Rony Ravikumar, the Principal of St Anne's Degree College.
